

GIVE A VOICE TO THOSE THAT HAVE NONE

Pictures say a thousand words.
Wouldn't you like to know their story?
The stray dog, the fearful kitten,
the abandoned senior pet.
They all feel love, security and joy
as well as pain, neglect and fear.

Our primary goal, as Council Bluffs' first humane society, is to help as many animals as possible. We also feel strongly about educating the public about the benefits of adopting animals, rather than shopping for them, the critical need to spay and neuter pets and the desire to instill true compassion towards animals in our young people.

Each year we take in thousands of animals needing help. Your donated dollars benefit these animals in so many ways - medical emergencies for some, life-saving vaccines for others, nourishing foods and treats, training and enrichment tools and spay/neuter procedures.

While housed at MHS, these animals are blessed with caring hands, unconditional love and the chance at their forever home.

HOW CAN YOU HELP?

Talk to your loved ones.
Find your passion.
Make the move.
We love helping animals in need.
We need your support to continue.
