**MHS works very hard to make sure that the pet you are interested in adopting is a good match for your lifestyle and family. We will assist you in evaluating your lifestyle in regard to the animal's need, review your history of pet ownership and share with you the animal's information. We reserve the right to refuse an adoption if it is in the best interest of the animal. Please fill out the below information to get started with the adoption process.**

1.) What animal are you interested in meeting? \_\_\_\_\_

2.) How many adults live in your home? \_\_\_\_\_

3.) List the ages of children with which the animal will have regular contact. How frequently will they be in contact? \_\_\_\_\_

4.) Please list any cats, dog, or other animals currently in the household. Include the type/breed of animal, age, sex:
