

Midlands Humane Society Working Cat Program Application

The Process to adopt a working cat:

- Fill out a working cat application
- A shelter representative will contact you with details
- All new owners must provide a safe environment that includes shelter, fresh water and food daily
- The new owner must provide a safe, fully enclosed location for 2-3 weeks to allow the cats to adapt and accept the new home
- The program coordinator will do their best to match the right cats to the property
